These devout Catholics have donated to many causes that support the traditional values of the church and family centered living. They are proven responsive to religious causes, traditional values, political offers, catalogs and publications.

Charitable donors to the premium mail programs of Trilogy Target Solutions have been combined to create a masterfile which has been enhanced to provide additional selections.

Individuals on this Enhanced Masterfile have contributed to at least one premium ask from Trilogy's portfolio of clients including veteran, children's, religious, animal welfare, third world and health appeals. The data has been enhanced with self reported survey information provided by a third party.
