These multi donors want to make the world a better place for children. They have financially supported causes helping underprivileged, terminally ill, abused and neglected children as well as supported education initiatives.

These donors are generous, loving, caring people who want to see a better world for our nation's children. They are excellent prospects for fundraising and consumer catalogs.

Charitable donors to the premium mail programs of Trilogy Target Solutions have been combined to create a masterfile which has been enhanced to provide additional selections.

Individuals on this Enhanced Masterfile have contributed to at least one premium ask from Trilogy's portfolio of clients including veteran, children's, religious, animal welfare, third world and health appeals. The data has been enhanced with self reported survey information provided by a third party.

Orders cancelled before the mail date will incur a \$50/F cancellation fee.
