These known donors have responded to a survey and are self reported animal lovers. They have donated to animal causes and take care of the pets they love at home. They purchase food, treats, toys, medical and pampering supplies for their precious companions. Some have even purchased novelty items to show their friends and family how much their furry friends mean to them.

Charitable donors to the premium mail programs of Trilogy Target Solutions have been combined to create a masterfile which has been enhanced to provide additional selections.

Individuals on this Enhanced Masterfile have contributed to at least one premium ask from Trilogy's portfolio of clients including veteran, children's, religious, animal welfare, third world and health appeals. The data has been enhanced with self reported survey information provided by a third party.

These contributors are responsive to animal welfare and pet related appeals, catalogs and magazine offers.

Orders cancelled before the mail date will incur a \$50/F cancellation fee.
