They enjoy learning about America's history and are willing to fight for its honors and freedoms. Some of these donors have even purchased memorabilia and novelty items to share their patriotism with others.

Charitable donors to the premium mail programs of Trilogy Target Solutions have been combined to create a masterfile which has been enhanced to provide additional selections.

Individuals on this Enhanced Masterfile have contributed to at least one premium ask from Trilogy's portfolio of clients including veteran, children's, religious, animal welfare, third world and health appeals. The data has been enhanced with self reported survey information provided by a third party.

These contributors are responsive to American heritage, history, memorabilia, military and veteran related appeals, catalogs and magazine offers.
